

## Eastern Shipbuilding Group, Inc. delivers the Escort Tug **OCEANUS** to Suderman & Young Towing

Eastern Shipbuilding Group, Inc. is pleased to announce the delivery of the Escort Tug **OCEANUS** (Hull# 240) on **July 29, 2016**. The **OCEANUS** is the third in series of four (4) identical Robert Allan, LTD. (RAL) designed Z-Tech 2400 Class Terminal & Escort Tugs currently under construction for Suderman & Young Towing Company at Eastern's Nelson Street facility.

The **TRITON** (Hull #235) and the **NEPTUNE** (Hull #237), the first and second vessels of the series, have already been delivered. Eastern is also constructing four (4) tugs for Bay-Houston Towing Co. G&H Towing Company is the Owners' onsite representative and agent during the engineering, construction and delivery for both companies Suderman & Young and Bay Houston. G&H Towing Company will operate the vessels for the Owners after delivery.

**Robert Allan, LTD** (RAL) of Vancouver, B.C. has provided the Z-Tech 2400 Class Terminal & Escort Tugs design and Eastern has provided detailed engineering. G&H Towing's fleet currently consists of eight "Z-Tech" tugs in operation. This "Z-Tech" incorporates the latest technology for escort service and ship assist.

**Suderman & Young Towing Company** offers a large and modern tugboat fleet, it continues to be the first name in general harbor and coastal marine tug-towing services for over a century. Serving the Texas Gulf Coast 24/7 and towing a wide range of marine vessels, you won't find a more experienced tugboat fleet than that of Suderman and Young.

**G&H Towing Company** represents both Owners as the Owners' Agent. At delivery, G&H Towing will operate each vessel as it has in the past with previous new builds. Since 1934, it is one of the oldest and most progressive towing companies on the Texas Gulf Coast. G&H Towing operates an outstanding fleet of over 30 harbor tugs with state-of-the-art equipment. They operate harbor tugs in the largest ports in the United States Gulf Coast with operations in Houston, Galveston, Texas City, Corpus Christi and Freeport. **Eastern Shipbuilding Group, Inc.** has two new construction and repair facilities in Panama City, Florida and has been in business since 1976 building, converting and repairing vessels in steel and aluminum of all types including: offshore and harbor tugs, offshore/platform supply vessels, multi-purpose construction vessels, research vessels, firefighting vessels, barges, ferries, passenger vessels, fishing vessels and inland towboats. Eastern's diversity and commitment to its customers makes its one of the most successful U.S. shipbuilders in the marine shipbuilding industry. Eastern will continue to provide quality service and grow its facilities along with its strong workforce of men and women who are always eager for the next new construction, conversion or repair challenge.

Eastern Shipbuilding Group, Inc. has over the years constructed and delivered twenty-nine (29) Z-drive tugs of similar size and complexity for several customers in the United States. With these Z-Tech series tugs, Eastern maintains its reputation as one of the largest Z-drive tug new construction shipyards in North America.
